

Valuable Farm for Sale!

THE subscriber wishes to sell that valuable property known as the CEDAR SPRING FARM, situated 2 miles south-west of the town of Athens, and is one mile and a half from the line of the East Tennessee and Georgia Railroad. The tract contains some

Three Hundred and Fifty Acres, about 125 of which are cleared and under cultivation. The land is well fenced. There are several first rate Springs on it, a good Dwelling House, Barn and Outhouses. The soil is good, and a more desirable location cannot be found in any country.

The terms will be made accommodating. For further information apply to the subscriber, at Athens, Tenn.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the Clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

DR. J. S. HOUGHTON'S
GREAT DYSPEPSIA CURE!

THE TRUE
DIGESTIVE FLUID,
OR
GASTRIC JUICE.

PREPARED from RENET, or the fourth Stomach of the Ox, after directions of Baron LIEBIG, the Physiologist (Chemist, by J. S. HOUGHTON, M. D., Philadelphia, Pa.)

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, FIVE POUNDS of Roast Beef in about two hours, out of the stomach.

PEPSIN is the chief element, or Great Digestive Principle of the Gastric Juice, the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a Complete and Perfect Substitute for it.

By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspepsia, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree CURIOUS and REMARKABLE.

SCIENTIFIC EVIDENCE—Baron Liebig in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened, changed, and digested just in the same manner as they would be in the human stomach."

Dr. Combe, in his valuable writings on the Physiology of Digestion, observes that the diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia, and he states that a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding every thing else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful.

Professor Dewees, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach, and from animals, are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as the natural digestion."

J. S. A. DYSPEPSIA CURE, Dr. Houghton's Pepsin has produced the most marvellous effects, in curing cases of DEBILITY, EMACIATION, NERVOUS DECLINE, and DYSPEPTIC CONSUMPTION. It is impossible to give the details of the cases in the limits of this advertisement; but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES in Philadelphia, New York and Boston, alone. These are nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great NERVE AND STOMACH, and particularly useful for tendency to Bilious Disorders, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles HEALTHY MEN with EXCESSIVE DRINKING.

OLD STOMACH COMPLAINTS.—There is no form of Old Stomach Complaint which it does not seem to reach and remove at once. No matter how bad they may be, it gives INSTANT RELIEF! A SINGLE DOSE REMOVES ALL THE UNPLEASANT SYMPTOMS; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Dependence, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. Houghton's Pepsin is used by nearly all the dealers in fine Drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

PRIVATE CIRCULARS for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. ASK IT NOT A SECRET REMEDY, no objection can be raised against its use by Physicians in respectable standing and regular practice. Price, ONE DOLLAR per bottle.

OBSERVE THIS!—Every bottle of the genuine Pepsin bears the written signature of J. S. HOUGHTON, M. D., sole proprietor, Philadelphia, Pa. Copyright and Trade Mark secured.

Sold by all Druggists and Dealers in Medicines.

For sale by GEO. W. ROSS & Co., Athens, JOHN STANFIELD & SON, Philadelphia, HUGHES & REYNOLDS, Boston, W. K. FROCK, Cleveland, Ben.

Great Sale of Valuable LANDS,

In the vicinity of Chattanooga.

THE Branch Bank of Tennessee at Athens, will sell on the premises, to the highest bidder, on Thursday, the 4th day of December next, a splendid body of rich and fertile lands, lying in the vicinity of Chattanooga, Tennessee, containing in all SIXTEEN HUNDRED AND EIGHTY ACRES.

These lands are situated between the Nashville and Chattanooga Railroad and the great Western and Atlantic Railroad of Georgia—the nearest point being about one mile from the Depot of each—a well watered, finely timbered, a large portion under cultivation, and the whole well adapted to farming purposes, and embracing every variety of soil. The whole will be divided into six or eight admirable Farms, or will be sold in larger bodies if desired by purchasers.

The main thoroughfare from Chattanooga to Georgia, which is a wide, level, well improved highway, runs immediately through the lands, while the two Railroads, and the public road from Lafayette in the direction of Nashville, bounds their outlet. And taking them all in all, with their present and prospective advantages they are amongst the best and most desirable lands now offered to the public.

TERMS OF SALE.—One-tenth of the purchase money in Cash, and the balance in ten equal annual installments, with interest, payable on the first Monday in December of each year. The purchaser giving bond and security, and a lien retained until the last installment is paid.
